

# ***The benefits of financial sandboxes:***

## ***the case of Spain***

Wednesday, June 23rd 2021 - 16:00 PM (CEST)

With the occasion of the launching of the first cohort of the Financial Sandbox in Spain, we are pleased to invite you to the event, organized by the Spanish Treasury, where the benefits of Financial Sandboxes will be discussed in detail.

For that purpose, the event is going to take place around four round tables, each of them debating about specific benefits of financial sandboxes and innovation. Thus, the structure of the event will be the following one:

- **Opening remarks:** Carlos San Basilio, General Secretary of the Spanish Treasury

#### Thematic roundtables.

**1º Round table: Improving access to financing. (i). Chair:** Javier Muñoz (Spanish Treasury); **(ii). Participants:** Raquel García (CNMV), Elisa Rincón (Inverco), María Abascal (AEB), and Luna Romo (Bank of Spain).

**2º Round table: Improving compliance and risk assessment. (i). Chair:** Eva Lidón (Spanish Directorate General of Insurance and Pension Funds); **(ii). Participants:** Pilar González de Frutos (UNESPA), Rodrigo García de la Cruz (AEFI), Félix Pérez (SEPBLAC), Julián Arévalo, (EIOPA) and José Manuel Marqués (Bank of Spain).

**3º Round table: Improving data processing and biometric solutions. (i). Chair:** Fernando Hernández (Spanish Ministry of Economy); **(ii). Participants:** Jesús Rubí (AEPD), David Alonso Pérez (CECA), Elisabeth Nobel (EBA).

**4º Round table: Improving financial inclusion. (i). Chair:** Diana Mejía (CAF, Development Bank of Latin America); **(ii). Participants:** Diogo Jose Sousa da Silva (Central Bank of Brazil), Laura Clavijo Muñoz (SFC, Colombian Financial Supervisor), Marco Antonio del Río Chivardi (CNMBV, Mexican Securities and Exchange Commission)

- **Closing remarks:** Sean Berrigan, DGFISMA, EU Commission
